

Lifting tub AVERO Comfort

## Lifting tub AVERO Comfort

### ... combines care and wellness

Our newly developed lifting tub AVERO Comfort offers relaxation and wellness in combination with contemporary care. The harmonic design and the ergonomical shape with its pleasant curves and extra large space for the upper body make the AVERO Comfort a real wellness-experience. The tub can be positioned stand-alone in the room and offers the bathing person a free view into the room and a special wellness-feeling during the bath. Additionally, the new AVERO Comfort has a low water consumption and is applicable for all nursing lifts.

- Viewing direction of the bathing person into the room possible
- Harmonic tub shape for care and wellness
- Ergonomic upper body area
- Applicable for all nursing lifts
- Low water consumption
- Operation by keypad
- Options: automatic water filling, air bubble bath, light therapy and music sound system
- Color by choice
